## Activity

Activity is generally reported by the merchant within 72 hours of visit or purchase. Stores generally confirm purchases and corresponding contributions to eScrip within 72 hours. However, stores sometimes delay this reporting until product has shipped or travel has occurred. In addition, actual store payments can take longer with certain merchants that wait for return periods to expire.

### Purchase Report

### Contribution Status

**Pending** -- A purchase currently in review by the corresponding store

**Approved** -- A purchase recognized by the corresponding store

**Returned** -- A contribution that has been reversed due to a purchase returned or cancelled

**Declined by Store** -- A purchase that has been deemed ineligible for contributions by the corresponding store

**Most contributions will be paid approximately 180 days from order date.**

\*Note: Contribution payments are made by the affiliate merchant in accordance with the merchant's internal policies. Merchants may pay quarterly, semi annually or once a year.

If contributions have not been made after 180 days from the order date, email [supporters@escrip.com](mailto:supporters@escrip.com). eScrip will research and contact the merchant.

Always feel free to contact me at [sapto.escrip@gmail.com](mailto:sapto.escrip@gmail.com) if you have any questions.
